

JERUSALEM STONE | IVORY LACE

This whitish limestone is distributed in a varied texture crossed by small fossils and shells. Its color brings luminosity to all rooms, facades or location where it is installed.

60X60

cut-to-size

Brushed

Honed

Test	Specification	Result
Water Absorption (%)	ASTM C97	1.571
Bulk Specific Gravity (Gr/cm3)	ASTM C97	2.563
Compressive Strength (Mpa)	ASTM C170	69 N/mm2
Modulus of Rupture (N/mm2)	ASTM C99	Perpend. to rift: 12.64 Parallel to rift: 11.33
Flexural Strength (N/mm2)	ASTM C880	Perpend. to rift: 10.86 Parallel to rift: 11.94
Abrasion Resistance (N/mm2)	ASTM C241	11.09
